Discussion

1. WP2 Deliverables: Some WP2 deliverables needed in WP7 now have delay. Reason is the intensive work in the Security Workshop in Charleroi and the impact of results on the content of the requirement documents in work.
Impact on WP7 deliverables to be clarified.
 2. List of Criteria:
Marielle will produce a list of criteria for a certifiable tool chain and set up a telco on Tuesday to discuss it.
 3. WP7 Workshop:
A WP7 team meeting will start on 15th of April 11:00 before the workshop. The organization of the workshop is on track.
