Minutes by	Bernd Hekele

2   Agenda

- V&V and Safety relevant results as outcome from the 24th of April the SSRS Kick-off in Paris

- Result of the tools workshops in Munich

3   Discussion

- V&V and Safety relevant results as outcome from the 24th of April the SSRS Kick-off in Paris: SSRS experts group and SRSS Review Team

  The minutes to the SRSS Kick-Off meeting are in preparation (Baseliyos). They will be provided on Github for review (26.04.13).

  As an outcome of the workshop the competences are planned to be concentrated in 2 teams:

  - The SRSS Expert Team with the competences from railway suppliers and research
  - The SRSS review team with the competence of railway operators.

  Experts for the teams still have to be nominated. It is foreseen to have the expert team working on a single site, e.g., in Munich at DB. Kickoff for the Review Team Kickoff is scheduled for May 15th.

  For planning of the expert team, the following doodle is activated:
  http://doodle.com/k4emwuvart6uukbv

- Result of the tools workshops in Munich Which Methodology and Tool can be taken for Verification?
  The trialing of tools based on the presentation of the tools workshop is ongoing. Further interesting candidate:
  Papyrus: www.eclipse.org/papyrus

A Papyrus training is in preparation.

Which are the important criteria for first preliminary process qualification?
This is part of the upcoming activities.
