Called up by: Dr. Klaus Ruediger Hase.
Minutes by: Stefan Rieger.

Participants:

WP6, Stefan Rieger, Marc Behrens, Michael Ditze, Baseliyos Jacob, Klaus-Ruediger Hase, Bernd Hekele, Peter Mahlmann, Jan Welte

Meeting Time: from 09:00h to: 09:30h

Type of conference: Telco

Agenda

1. D6.1 Dissemination Report (due at the end of the month)

2. Special session at IEEE INDIN (deadline extension)

Discussion

1. Special session at IEEE INDIN (deadline extension)
   Deadline for contribution extended.

2. D6.1 Dissemination Report (due at the end of the month)
   Some contributions still pending. Stefan will send a mail contacting persons with outstanding topics.
   Deadline for the template with new layout: April 2nd. Peter will deliver updated template.
   Events/contributions mentioned in the dissemination plan need to have a clear alignment with the openETCS project. If association is not clear the part will be taken out of the plan.

Notes
